

Antonella Transient Home for Baby Orphans

PO Box 480150, Chinsali

23 / 03 / 2017

CONTAINER OF HOPE, AUSTRALIA

Dear Sir. Christopher Moore.

We are writing this letter to say thanks a lot for all the things in the container that you have sent to help the Community of Chinsali from Australia.

When the container arrived, we realized all your extraordinary effort to send this lovely help. We organized some students and other people to set the container in the garden of the Pre School and download all the items.

We took some days to do this job but we were so happy. We started to give some of these things immediately, like beds and the materials for hospital and some clothes. Also, we brought a lot of things to Antonella Transient Home for Baby Orphans like bedshits, clothes, toys, stationary and cleaning and kitchen materials.

We are still giving other things, we have not yet finished.

So, many thanks to all of you for this great donation; be sure that all things will be used to improve the life of this community.

We want to thank in a special way Mr. Christopher Moore, Jess, Ricky, Dave and Gweneth for the effort to send all these nice items in our place.

Best regards

ALM Chinsali Community
